

Join Us for the West Tennessee Kick-Off of TN-PERI Pipeline Emergencies Training

WHEN: Friday, May 29, 2026
TIME: 10:00 AM – 1:00 PM
(lunch provided)
WHERE: JEA Training Center
320 Highway 45 By-Pass
Jackson, TN 38301

Critical Infrastructure High-Stakes Emergencies HAZMAT

Pipelines in West TN

- Refined Liquids Transmission
- Natural Gas Transmission
- Crude Transmission
- Natural Gas Distribution

Real-World Response Training

- **County-Specific Insights:** Learn how your local infrastructure, geography, and risks shape the emergencies you could potentially face.
- **Three Interactive Scenarios:** Practice responding to incidents involving local distribution systems, natural gas releases, and liquid product spills—using scenarios realistic to your community.
- **Stronger Local Coordination:** Connect with neighboring responders and pipeline operators to explore emergency plans, clarify expectations, and strengthen partnerships before an incident occurs.

RSVP

To RSVP, reply to the email you received or reach out to: Chief Richard Griggs, Covington Fire
