

Our Tennessee Fire Service is very blessed to have a place to honor our fallen brothers and sisters. Tennessee Fallen Firefighter Memorial is located at our Tennessee Fire Service and Code Enforcement Academy in Bell Buckle, TN. It is an honor to serve our fallen brothers and sisters by putting our time into this special property and to ensure this place will never look abandoned. We want the family members to know their loved ones were not forgotten when they come to visit this beautiful place. We do this by making sure the property stays in prestige condition because they deserve nothing less. Working side by side, we can be proud to say we made a difference.

Thank you in advance.

Chief Eric Turner

TN Fallen Firefighter Memorial Committee

Please email Amy Maxwell (amym@hamiltontn.gov) to reserve your month and list your region and agency attending.
