

Join Us for the East Tennessee Kick-Off of TN-PERI Pipeline Emergencies Training

WHEN: Friday, November 6, 2026

TIME: 10:00 AM – 1:00 PM
(lunch provided)

WHERE: Knoxville Utilities Board
4505 Middlebrook Pike
Knoxville, TN 37921

Critical Infrastructure High-Stakes Emergencies HAZMAT

Pipelines in East TN

- Refined Liquids Transmission
- Natural Gas Transmission
- Crude Transmission
- Natural Gas Distribution

Real-World Response Training

- **County-Specific Insights:** Learn how your local infrastructure, geography, and risks shape the emergencies you could potentially face.
- **Three Interactive Scenarios:** Practice responding to incidents involving local distribution systems, natural gas releases, and liquid product spills—using scenarios realistic to your community.
- **Stronger Local Coordination:** Connect with neighboring responders and pipeline operators to explore emergency plans, clarify expectations, and strengthen partnerships before an incident occurs.
